

You may be subject to penalties of up to \$32,500.00 per day, per violation for not having a SWPPP in place for your construction activity.

We can help you avoid paying these fines.

Our mission is to support you as you grow your business, protect your profits, and avoid penalties which are related to not having a **Storm Water Pollution Prevention Plan (SWPPP)** in place.

Plans are available for residential, commercial, linear, utility, public works, trenching, road, bridge, demolition, excavation, landscape, and DOT projects.

Obtaining **National Pollutant Discharge Elimination System (NPDES)** coverage on projects already in progress is always preferable to not having coverage at all.

Let us know how we may be of service. Our services are available in NM, CO, AZ, TX, NV, and on Tribal Lands. Please call us so that we may discuss current and future projects that will require a SWPPP.

By working together we can assist you by developing a site specific **“SWPPP Management”** program which is environmentally friendly and compliant. This program will assist you in avoiding penalties and numerous other difficulties associated with noncompliance.

Our team of SWPPP Compliance professionals are qualified to serve you with the following:

- **Drafting SWPPPs**
- **Site Inspections – “7 Day” , “14 Day” , & “Rain Event”**
- **Audits – We will review your SWPPP in order to bring it current (Similar to an EPA audit)**
- **Penalty & Settlement negotiations with the EPA**
- **BMP removal – silt fence, wattles, debris, etc.**
- **SWPPP Education & Training Courses – Group, Company, or Individual.**
- **Site Planning – Pre Construction phase**
- **BMPs - Silt Fence, Wattles, Fiber Logs, Hay, Straw Bales, Seeding, Erosion Control, Soil & Sediment Management, Surface Roughening, and many others are all available through a referral partner. Package Pricing is available. BMP removal is also available.**
- **Fugitive Dust Control Permit (Surface Disturbance Permit) Bernalillo County, New Mexico**

For more information please use either web address to visit our site at www.swpppcompliance.com or www.swpppinspectors.com.
